'Compassion, Curiosity, Courage'

Wednesday 7th July 2020

Dear Parent / Guardian,

As we come to end of the second week of 'Checking – in and catching up with the children, it has been lovely to reflect on the wonderful time we have had together back in the school. We hope parents have been able to see the photos on twitter which have certainly captured the happy times.

Schools are awaiting news from Kirsty Williams, the Welsh Education Minister, to indicate what the return to school in September will look like. Once we receive this information we will communicate this with parents accordingly.

During the summer term the teachers have been writing the end of year reports for all children from Reception up to year 6. The reports will reference the progress made up until mid - March and children's engagement with online, blended learning. The reports will be emailed to parents at the end of this week.

As we look ahead to our September return we have planned for the majority of year groups to move into the next phase with their current class teachers, with the exception of our current year 4 and 5. Year 4 will move into Miss Brewster's year 5 class and year 5 will reform together as year 6 with Mrs Robertson and Mr. Jones.
